Spirit has something to say to you! Trance medium **Letizia Mason** from London, with her husband Richard as the circle's facilitator, will present an Evening of Dialog with Spirit. The session will begin promptly at 7.30 p.m. and last approximately two hours. Due to the sensitive nature of this work this is a closed door event no late comers are permitted.

Letizia channels Munjiji, a Team of Beings from the Spirit World. Munjiji's purpose is not to prove their existence but only to be of assistance to anyone who asks for help.

Come, ask a question to start your dialog with Spirit. You may ask about spiritual or life direction, work, family and relationship. Questions can also be about loved ones who have passed on from this life. Munjiji is endlessly patient & embodies unconditional acceptance.

A recording of your session is available through an online connection.

"We are living through times of great change on the planet. This is one reason why meeting Munjiji is so important. Munjiji is a team of beings from spirit that wants to help those of us struggling in different ways in this dimension. When I met Munjiji I was certainly struggling with a number of issues. Speaking with Munjiji was like conversing with an old long lost friend. Wisdom of this kind is truly healing. The wisdom and insight I received from Munjiji has given me a real sense of unfolding clarity, focus and encouragement." -

Steve Nobel, author, coach, facilitator, and ex-director of Alternatives, St. James's Church, London.
