

**MONDAY NIGHT JUNE 23<sup>rd</sup>** - San Francisco IANDS (IANDS-SF) is delighted to host Near-Death Experiencer, Barbara Bartolome at Golden Gate Spiritualist Church on the corner of Franklin & Clay. Hear a short of her story on NDE Radio March 26, 2014 at:

Barbara Bartolome watched her own heart surgery from the top of the room during a Near- Death experience and will tell this story to us. Barbara is also a moving force behind the notion that near-death experiences, and the gifts resulting from them, are meant to be shared with the world. After her NDE on the operating table in 1987, she has gone on to become the founding director of the Santa Barbara, California, chapter of IANDS, and most recently was named to the board of directors of IANDS' national organization.

IANDS purpose is to promote responsible, multi-disciplinary exploration of near-death and similar experiences, their effects on people's lives, and their implications for beliefs about life, death, and human purpose. Whatever the viewpoint, IANDS never supports proselytizing." IANDS has no political or religious affiliations.

IN SAN FRANCISCO There is on-street parking, *which is often hard to find*, so leave extra time if you want to park on the street. Garage parking is available at 1776 Sacramento St. two blocks east of the church for \$6 flat fee after 6 p.m. at night. The entrance is on Sacramento just before Van Ness Ave. as you drive west on Sacramento. Since it's tough to find on-street parking, the parking lot may be the easiest solution.
